With The Bahia Antique Cars BSC, Feb. 2006

With no formal meeting in December, there were no official December minutes.

**Meeting Date:**  
**Jan. 26, 2006**

The meeting was opened by the outgoing President Warren Lively, who in turn presented the gavel to our new President, Noble Dr. Peter Diaz. Peter thanked the outgoing officers and commended them for a job well done. Warren Lively gave presentations to Larry Gilbreath for the car show and Alan Byers for the newsletter for their extra work during the year.

The invocation given by Ill. Sir Tom Embree was followed by the Shrine Pledge of Allegiance to the flag. Past Presidents of Antique Cars were recognized at this time. The motion was made to accept the minutes as printed in the newsletter.

Three bills were presented for payment, flowers for Lady Jean, Ladies appreciation dinner and the newsletter. It was voted to pay all of them.

Alan Byers gave the treasurers report in two parts, general expenses and the final car show report. It was passed to accept the report.

The correspondence was read and included a nice thank you note from Lady Jean Dennis for the flowers presented her during the open installation. A reminder to pick a date for the Red Fez Theme Night was read. The Motor Corps requested a copy of members to determine the division of cost for the new carpet they recently installed. This was tabled for further investigation by Peter Diaz. The Bahia Bonanza Auction has requested a donation for prizes. It was decided to make the same contribution as last year. The Circus program committee requested renewing our ad in the program. They were also asking us to renew our donation of a bicycle to be given at the circus. It was unanimous that we

continue this practice.

The 22 October Car Show was discussed and passed that the finances will be handled the same way as last year. Larry Gilbreath brought it to the attention of the members that the AACA supports the Shrine Car Show and the Shrine should in turn support theirs.

The parade schedule was discussed. There is a parade on the scheduled for Eustis on February 25<sup>th</sup>. The St. Patrick's Day parade in Winter Park will be held on the 4<sup>th</sup> of March. Participation with the cars is encouraged, especially if the Divan will attend the parade

Ill. Sir Tom gave the Hospital Report and informed us of "Hospital Days" on February 17 & 18<sup>th</sup> when they have tours of the hospital and lectures describing the procedures they use. Rooms will be scarce because of the State Fair, Soccer Tournament and regular tourists.

Two new members were voted on and welcomed into the Bahia Antique Cars BSC. They were John Drury Davis and Lawrence Limmel. They were given a rousing round of applause of welcome.

The senior member of the Divan was Recognized and given the floor followed by Ill Sir Tom Embree giving the closing benediction.

## KLASSIKUES

The Klassiques are off to a fine start for 2006. Many of us attended the 1<sup>st</sup> Lady's Tea & presented Lady Jean with a check for \$100.00 toward her project. We also voted to update our plaque for \$100.00

Once again we were asked to provide the desserts for the AACA car show. The show will be held at Bahia on Sunday, April 30<sup>th</sup>. Beulah Embree will be our chairperson. Melody Byers will be in charge of the ice cream. We need to be there by 10:00 a.m. everyone's help is needed!!

Peter Diaz, President, Antique Car Club, has asked the members of the Klassiques to plan the monthly social events. A cruise-in at a local park was suggested. The food, date & time will need further discussion. Other future events were also discussed.

Former 1<sup>st</sup> Lady Anne's centerpieces have been offered back to the Klassiques for resale. This generated much interest as a way to provide money back to our treasury.

Dues are due!!!!

Please come out & join us. We meet the 4<sup>th</sup> Thursday of each month at 7:00 p.m. Same time as the nobles.

Respectfully submitted,  
Nancy Gilbreath, Secretary

### *Thank You for 2005*

Wow! What an exciting year this has been for the Antique Car Club. It's been a privilege to support Ill. Gary in the celebration of Bahia's 50<sup>th</sup> anniversary. We can be proud of the job we did decorating for the Potentate's Ball.

Thank you all for the privilege of being your Prez this year and for the support you've given me. The car show was a success even with the threat of hurricane Wilma. We've had a wonderful year together.

Once again we are grateful to Gary & Ann for opening their home to celebrate our Christmas party.

As I turn over the leadership to Peter and his new officers I ask that you will support him with as much enthusiasm and cooperation as you gave me. Being your President was a very special honor for me this year.

2005 President Warren Livley
