

Cruising

With The Bahia Antique Cars BSC, June. 2006

Meeting Date:

25 MAY, 2006

The meeting was called to order by President Peter Diaz promptly at 6:30 at the Sanford Shrine Club because of the many members wanting to attend their Shrimp and Corn Boil.

President Diaz announced that the treasurer's report will not be read at this meeting because of no activity.

No additional parades have been scheduled as of this date.

The past activity of a Bar B Que at Noble Ray Morison's home was discussed with all members who attended giving him a round of applause and a big thank you.

It was unanimous that the minutes of the last meeting be accepted as printed in the newsletter. Three applications for membership voted on and unanimously accepted. The new members are, Albert (Sam) & Peg Musgrove of Eustis, FL. They have a 1957 Ford Thunderbird. The second new member is: David & Candice Ryder from Apopka, FL. They have a 1988 Nissan 300ZX. The third new member is: Clyde & Linda Aldrich from Christmas. They have two antique cars, a 49 Dodge Coronet and a 34 Plymouth. We welcome these new members to the Bahia Shrine Antique Car Club.

There being no further business, the meeting was adjourned.
Respectfully Submitted,
Lee Dunkin,
Secretary

Father's Day

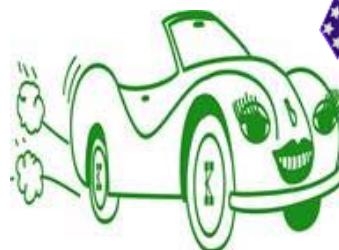

The history of Father's Day is very interesting. The thought for creating a day for children to honor their fathers began in Spokane, Washington. The idea of having the Father's Day came to the mind of Sonora Smart while listening to a Mother's Day sermon in 1909.

After the death of her mother, she along with her siblings was raised by her father, William Jackson Smart. Sonora wanted to tell her father how special he was. Sonora's father was born in June, so she chose to hold the first Father's Day celebration in Spokane, Washington on the 19th of June, 1910.

The National Father's Day Committee was formed in New York City in 1926. A Joint Resolution of Congress recognized the Father's day in 1956 and in 1966 President Richard Nixon established a permanent national observance of Father's Day to be held on the third Sunday of June. Thus, the Father's Day was born in memory and appreciation by a daughter who believed that her father and all other fathers should be honored with a special day.

- The Romans honored their dead fathers, every February.
- The necktie is the most common and famous Father's Day gift.
- Father's Day originated in America.
- The first Father's Day was celebrated on June 19 1910 in Spokane, Washington USA.

KLASSIKUES

Need to give a big THANKS to all The Klassiques that worked on the desserts for the AACA Car Show that was held on Sunday, April 30th. As usual, Beulah Embree did a wonderful job preparing the table complete with car models. She had a great crew to help with the cutting, selling, collecting money and cleaning up. Due to Melody's absence, Debra Scott chaired the icecream preparation. The icecream did very well along with the other desserts.

Saturday, May 20th was our Cruise In up to the Villages. Six cars took the lovely drive & all in attendance had a great dinner at Ruby Tuesdays. The dinner was arranged by our III. Potentate Bill Dennis & his Lady Jean. We were honored to have them join us for dinner.

On May 25th, those that were able met at the Sanford Shrine Club. The annual Shrimp & Corn Boil was the evenings highlight. Your President & Secretary were unable to attend. Those that did had a nice time with good food.

ALOHA!!

Your secretary is back from her spectacular 7 day Hawaiian Cruise. I do believe these islands are paradise!!! Larry is getting together his TONS & TONS of pictures. Whenever we get them organized, & will share with all that wishes to see them.

Ladies we have an open invitation for you to join us on the 4th Thursday of the month at 7:30 P.M. We always meet the same date & time that the nobles have their meeting. Would love to have you come out & join us.

Respectfully Submitted,
Nancy Gilbrath, Secretary

 Stated Meeting
 3rd Thursday
 June 22
 Unit Rm B**

Pres Sez

May celebrates Mothers days and I wanted to recognize our Ladies on their special day and thank them for all they do for our Club.

Summer is almost here and its time to start preparing for our Fall Car Show; members of the car show committee will be meeting to plan a successful show and calling on our members for support and task volunteering. Please submit your ideas to improve and make this years show the best ever.

This was a month full of activities; we started with Noble Ray Morrison invitation to his annual home party, where two of our Nobles Larry Gilbreath and Dave Maine won the best custom dress award. Everyone had a great time. Thank you to Noble and Lady Morrison for the entertainment and the open invitation.

We also had our Spring Ceremonial and our Antique Car Club members were at hand to help with this event.

This month outing was to the Villages in Lake County, the members had an opportunity to cruise their oldies and enjoy the event.

Some of our Nobles & Ladies joined our Potentate on a Hawaiian Cruise this month. We hope they have great time and bring back great memories and lots of pictures!

Our May monthly meeting was at the Sanford Shrine Club. The meeting included a wonderful all you can eat shrimp and corn on the cob dinner feast. We enjoyed an informal monthly meeting with all the car club members present.

We are planning another brunch outing for June 25 the place and time will be forward to all members in the near future.

The next Car Club meeting is on June 22nd. At 7:30 P.M., please come join us.

Peter Diaz

Fund Raiser 2007 Photo Calendar

There has been discussion about a calendar project to be completed by the Car Show in October. This is an expensive undertaking and thoughts are to have those who participate with their car's photo front the necessary funds to produce the calendars. This can be done either by selling advertisements on their page or fronting a portion of the cost to be recuperated when sold.

There was a 2005 calendar produced in 2004 that was very successful. Although there we many left over unsold, the project was profitable.

If any one is interested in participating in this project, please attend the June meeting of the BSC as this will likely be a GO/NO-GO decision due to time constraints.

If you have any questions, please contact:
 Larry Gilbreath at
 407-862-4949
