KLASSIQUES

A very rainy Sunday on June 25th did not stop the HUGH crowd of Ladies & their Nobles gathering together at the Captain & Cowboy Restaurant in Apopka. Some choose the brunch while the rest selected from the menu. With a large number in attendance, some couples had to move to another small room. However, everyone got fed & seemed to enjoy the afternoon.

At our June meeting, we discussed looking into making a Klasiques Card to send as needed. Marianne Main will consider designing the card. If you would like to help or have suggestions for a design, please let her know. We are only in the beginning stages.

The KLASSIQUES will be DARK in July. This means we will NOT be holding a July meeting. However, will be up & running in August getting our thoughts together for the CAR SHOW. Once August arrives, things start coming in place quickly. We need EVERYONE to be supportive.

Please plan to attend our next meeting on August 24h @ 7:30 P.M. We always meet the same date & time that our Nobles meet. Would love to have you join us. See you there.

Respectfully yours,
Nancy Gilbreath, Secretary

Car Show Report

Sunday, October 22

Now is the time to prepare for the upcoming Car Show. We have been hosting this show now for many years. We have a good plan that will produce a good show, but to make it successful we need to find sponsors early.

Rates for trophy sponsorships are posted here for your reference. This can be used to solicit sponsors. Keep in mind that credit will be given during the show for all sponsors.

Successful sponsorships will pay for the show and even make it profitable before the car show starts.

Vendor spaces are available also. As well, recognition will be given to all vendors during the show.

As always, ask around for door prizes from some of your favorite dealers, restaurants, friends, etc.
